More Resources

- *Check our **WEBSITE** for program times, databases and updates!
- www.southbannocklibrary.org

We have several databases available through links on the website and require a library card:

AtoZ is for resume help, job searching, entrepreneur resources including mailing lists, lists business closures, and executive search with emails.

NewsBank is a digital newspaper database, search historical obituaries, research current news for homework projects, just read any newspaper available locally or nationally.

DigitalLearn.org is a site to help learn all things digital!

Idaho Digital Skills from the Idaho Commission for Libraries has tutorials for learning about the digital world.

LiLi.org has several databases for school and home, WorldBook, Chilton Auto repair, LearningExpress, and more!

Also access **Libby**, **Tumblebooks**, and **Test Prep Review**

Having a party? Ask us about our **JackBox party games!**

To use our Cricut cutters, 3D printers and laser cutters, make an appointment by calling (208)897-5270
